The 2020 Summer Olympic Games have to wait until 2021, so we welcome you to the next best thing.....

The 2020 Social Distance Summer Shotgun Games.

Start date is June 1st, last day is August 30th.

We will make The Games a great Outdoor Recreational Activity in Minnesota. (We can't call it a league or competition right now)

Detachments (teams) will be of 2-6 shooters. We'll take the top 2 scores from the detachment for standings.

How will the Games work?

You and your social distant shooting buddies will have 12 weeks to post scores.

All clay target shotgun games offered will be 6 individual scores of 50 targets. Basically you have 12 weeks to post 6 scores per game.

Social Distancing rules apply.

The Social Distance Summer Shotgun Games will include the following activities.....shoot one, two, or heck just try them all:

- **Sporting Clays**
- **16 yard trap**
- **Wobble trap**
- **5-Stand**
- **3-Bird**
- **Trap Doubles**
- **Shooters Skeet**

Warm-up stations and/or side games may be available.

Oh - the Tactical Shotgun galleries with their steel plates and clays setups will also be a part of the Games.

Spread the word about The Games and we'll get you and your "detachment" signed up.

Scholastic Clay Target Program (SCTP) LEAGUE

We're working on the creation of the SCTP summer virtual league. In talking with a few coaches around the state we are going to **start the virtual league June 1st** and run it through August.

Same setup as the Summer Shotgun Games – (6) 50-target scores for the summer in trap, skeet, and sporting clays.

We can host the sporting clays and trap portion here. If your team wants to shoot at its local club, by all means do it. It would be fun to have the students involved over the summer. Coaches shoot too!

Click our email address or button below to send us input. Would be great to hear from you on this.
